High speed, error-free **data transmission** system and **method**

CD Scheller, AA Collins... - US Patent 5,010,553, 1991 - Google Patents

... 15 Another object of the invention is to provide a **data transmission** system **method** having improved accuracy. A further object of the invention is to provide a high speed, error-free **data transmission** system **method** having improved throughput. ...

System and device for **data transmission**, and related **method**

RJ Welsh - US Patent 4,829,558, 1989 - Google Patents

... The screen **data** is transferred as a continuous **data** stream to the FM broadcast stations 5 over high speed dedicated **transmission** lines. ... Reference will be made to FIG. 2 in describing the internal **data** and address path **structure** of the polling device 13 for one home 9 ...

Digital content distribution, **transmission** and protection system and **method**, and portable device for use therewith

TC Jones... - US Patent 6,697,944, 2004 - Google Patents

... the **method** of communicating between the host and portable device, as well as broader **data transmission** concepts directed to the **method** of establishing the trusted relationship and the file transfer. Additionally, the teachings of the invention include the **data structure** of the ...
